Professor Roger Swift, Chair, IUSS Presidential Committee

Dear Professors Lal & Swift

Re: Letter of Support – Professor Alex McBratney

The University of Sydney strongly supports the nomination of Professor Alex McBratney as a presidential candidate in the upcoming IUSS election. In the event Professor McBratney is successfully elected to the IUSS Presidency the University of Sydney will support the position by allocating a nominal 25% of Professor McBratney's time and an associated travel budget of \$30,000 per annum for the calendar years 2021 and 2022 (which I believe are the years of the presidency). The University also notes and supports Professor McBratney's commitments in 2019 and 20120 as Incoming President and in 2023 and 2024 as Immediate Past President.

Yours sincerely

Professor Stephen Garton
Provost and Deputy Vice-Chancellor
