

# International workshop

# Organic Phosphorus 2020

## From Land to Sea

An interdisciplinary workshop to synthesize recent advances in research on organic phosphorus across ecosystems; from land to sea and from the tropics to the arctic.

**Venue:** Björkliden, Abisko, Sweden

**Dates:** 7 to 11th of September 2020

**Website:** <https://www.arcticcirc.net/our-projects/organic-phosphorus2020>

**Contact:** Professor Reiner Giesler ([reiner.giesler@umu.se](mailto:reiner.giesler@umu.se))

Please, always use "OP2020" as subject heading in any e-mail communication about the workshop)
